Amir Khan launches 'Tejarah Executive'

Tuesday, October 07, 2008

UK boxing sensation Amir Khan launches 'Tejarah Executive', a commercial tower located in Ajman. Profile Group and Moosa Group Enterprises came together in a joint venture to deliver the commercial tower. Amir promoted the tower today at the Profile stand in The Cityscape Exhibition.

Tejarah Executive is a G+25 commercial tower offering pure office solution to accommodate back-end operations for businesses active in Dubai but not necessarily wishing to pay Dubai rates. The price per square feet starts at AED 670 and reaches upto AED 740. Tejarah Executive will have extensive facilities for companies' workforces including a gym, sauna, covered car parking, a range of restaurants and retail outlets located on the ground floor. The tower's construction will commence on the first quarter of 2009, Khan said that he will be present in the UAE when the construction starts.
